Eric, barring unforeseen circumstances all of tours on the schedule seem doable except for the December tour. I am on afterhours from 12/12-12/19

Hi Chris:

Please review and see if it makes sense. I did my best to make your 10 hour bi-weekly pay cap work and just logistical sense. I just don't know if you want to on days like October 8th and December 3rd where you would work 5 hours and then drive for 7 hour (Like I will do) or you can leave the next day. Please let me know what you think and if there are any errors.
Thanks

Regards,

Eric
